ANDREW + KIMBERLEY GAL

Andrew and Kimberley currently serve on the pastoral team at Harvest City Church in Regina where Andrew oversees their Worship Arts Ministries. Stirred with a passion to see the Church of God fulfill its destiny, their calling in ministry has taken them to a number of different churches and conferences with a desire to be catalysts in seeing the Church living out its purpose as the glorious bride of Christ. Marked by a radical faith journey that has brought brokenness and blessing, Andrew and Kimberley's testimony is sure to encourage those who desire to experience the fullness of God's promises, but struggle to live out their calling day to day. Their unique and passionate tag team style of preaching allows for God to speak prophetically while remaining centered on the authority of Scripture.
