Dean grew up in a single parent home with his mom and sister. In his early twenties, an elderly caretaker at work led Dean to the Lord Jesus Christ and transformed his life forever. Dean has learned that only surrendering to God can make you whole, give your life meaning, purpose and joy.

God draws us, He calls to us and wants to adopt us and be our Father. He longs for us to come to Him so He can heal us. Often, we are unable to hear His call because we're so busy with other things – our lives, our families, our work, our own problems and unhappiness. Sometimes we must be broken before we realize our need. And our deepest need is to be reconciled to God. Broken things are despised as worthless, but God can take what has been broken and remake it into something better, something that He can use for His glory.

Dean has been married for 22 years to his lovely wife Laura and has three beautiful children. Come hear how God has transformed Dean's life and has shown him how to be a good husband, father and most of all...a child of God.
