

Fellowship Banquet

6:30 PM Thursday, December 8th, 2016

Guest Speaker: Jason Gordon

Jason Gordon was born & raised in Regina and is of Native American and Italian descent. He is a journeyman scaffolder and has worked on some of the largest industrial projects in Saskatchewan; the Oil & Gas and Potash industries. Jason has recently become involved in social work with Ranch Ehrlo Society.

Jason majored in English with a minor in Native Studies while attending the U of R. It was at this time in his life when he became radically born - again. Immediately ending his pursuit of Native Shamanism and feeling a strong call to ministry, Jason started attending "Into His Harvest Bible School" in the years 2000-2001. While in Bible School he was sent out with a missionary team with a mandate to evangelize in Northern Saskatchewan, San Francisco, Mexico, and Zambia. Jason's giftings are evangelism with a strong prophetic edge for deliverance.
