FREE ADMISSION.

Gabriel's passion to lead and develop people's potential, influenced him to pioneer and pastor a local church in Nigeria for 10 years. By engaging, encouraging and discipling young adults, Gabriel created a dynamic gospel music group called GT crew; and disciplined many for marketplace careers and entrepreneurial initiatives.

After obtaining his certification in International Business Management from Ontario, Gabriel founded PrimePath Global Business Inc.; a company that trades in international commodities and offers training programs on International trade and human resources.

He is also the founder and current President of Shine City Crew Inc; a not-for-profit organization that organizes the yearly music and inspirational concert "Shine Regina". Gabriel and a vibrant leadership team also coordinate the youth and young adult ministry "Exousia" serving from Lighthouse To All Nations church to reach the Regina community and beyond.

Gabriel is blessed with his lovely wife, Teni and three amazing children; Romi, Jola and Fami. They all live in Regina.
